ORTA Adventure Relay & Trail Hub

Oak Ridges Trail Association Partners with Trail Hub as the “Mid-Race Hub” for the 2026 Oak Ridges Moraine Adventure Relay

The **Oak Ridges Trail Association (ORTA)** is excited to announce an ongoing partnership with **Trail Hub** for the highly anticipated **2026 Oak Ridges Moraine Adventure Relay**.

Returning on **Saturday June 13, 2026**, this iconic 160-kilometer team challenge celebrates the landscapes, community spirit, and outdoor adventure that define the Moraine. As the official **Mid-Race Hub**, Trail Hub will once again serve as a central gathering point for racers, supporters, and volunteers throughout the day.

The Adventure Relay is an epic one-day adventure race across one of Ontario’s most ecologically and culturally significant landscapes. The race is an annual charitable fundraising event for ORTA, and the event shines a spotlight on the importance of conservation and stewardship, supporting ORTA’s ongoing work to protect and enhance more than 275 km of trails across the Moraine. After running annually from 2007 to 2019 and relaunching in 2025, the 2026 Adventure Relay continues its tradition of uniting teams across the moraine by canoeing, biking, and trail running.

Trail Hub—one of the Greater Toronto Area’s premier adventure destinations—provides unmatched access to over 240 kilometers of multi-use trails. As the official Mid-Race Hub, the venue will be a key checkpoint for both the full and partial relay routes. Racers and spectators can expect a vibrant atmosphere where they can recharge, regroup, and cheer on participants as they push toward the finish line.

“Trail Hub is proud to continue partnering with ORTA on the Oak Ridges Moraine Adventure Relay,” said Adam Morka, Head of Business Development and Marketing at Trail Hub. “We’re thrilled to welcome participants back to one of the event’s main checkpoints. Together with ORTA, we champion the belief that conservation and recreation go hand in hand. This partnership highlights our shared commitment to preserving our trail systems while offering a space where people can explore, compete, and connect with the outdoors. We’re looking forward to another year of inspiring athletes, building community, and celebrating the natural beauty of the Moraine.”

ORTA President Karen Graham echoed this enthusiasm: “The Adventure Relay has always been about more than just racing—it’s about celebrating the Moraine and the community of people who care deeply

Oak Ridges Moraine Adventure Relay - June 13, 2026

about its protection. Trail Hub is the perfect Mid-Race Hub for that spirit. Their support, facilities, and passion for outdoor recreation elevate the entire relay experience. We're excited to bring even more energy, collaboration, and community engagement to the 2026 event."

As part of its role, Trail Hub will offer grab and go snacks, and a welcoming atmosphere where teams and supporters can gather throughout the day.

Registration is now open!

About Trail Hub

Trail Hub is the premier adventure destination in the Greater Toronto Area, nestled in the heart of Durham Region. With direct access to over 240 kilometers of multi-use trails, visitors can immerse themselves in biking, hiking, disc golf, and snow activities. Our cozy chalet pairs farm-to-table dining with breathtaking vistas, creating an unforgettable backdrop for corporate gatherings, weddings, and community events. Whether you're looking to get active in nature or simply indulge in fresh, locally sourced food, Trail Hub invites you to eat, play, and celebrate with us. For more information about Trail Hub, please visit trailhub.ca or follow us on [Instagram](#) and [Facebook](#).

About Oak Ridges Trail Association (ORTA)

ORTA is a charitable hiking organization with a mandate to plan, promote, create, and maintain public recreational trails on the Oak Ridges Moraine, a vital natural corridor in Southern Ontario. Through trail maintenance, education, and events like the Adventure Relay, ORTA works to ensure the Moraine remains a vibrant, accessible resource for recreation and conservation. For more information about ORTA, please visit Oakridgestrail.org or follow us on [Instagram](#) and [Facebook](#).
